Dear Scholarship Applicant:

Attached you will find a copy of MMS's Application for Financial Aid. For a scholarship application to be considered, it must contain all of the following items:

1. The MMS "Application for Admission" form – if this is an applicant who is *new* to the School.
2. The attached "Application for Financial Aid" form, filled in *completely*.
  3. A copy of your income tax return for the year \_\_\_\_\_ and your W-2 form for the year \_\_\_\_\_, along with a copy of your rent receipt or canceled rent check. (*Although a copy of your income tax return for the year \_\_\_\_\_ need not accompany your application for Financial Aid, a copy of your return **must** be submitted by **April 15** & must support the information contained in your scholarship application.*) \*
4. A statement as to your projected income and expenses for the present year.

Please be aware that financial aid is extremely limited and that no full scholarships are ever granted.

In light of the fact that we hope to provide tuition grants to as many qualified applicants as possible, we request that you give special consideration to **Question #11** on the "Application for Financial Aid" form. This question asks you to tell us the *maximum amount of tuition* that you can afford to pay for your child to attend Morningside. (If extra funding becomes available and it is clear that you would benefit from *more* financial aid, we will try to provide additional assistance.)

In order for the Scholarship Committee to make a decision as to the amount of aid they might award you, THEY MUST KNOW THE FULL AMOUNT OF THE TUITION SLOT YOU ARE APPLYING FOR. And in order for them to know *that*, you must tell them two things: **1) the number of days/week** that you're applying for, and **2) the length of day** (*i.e., the number of hours/day*) that you're applying for. (Please understand that the schedule you choose *must* be one of our listed schedules.) Once financial aid is awarded, should you wish to *reduce* your child's schedule, the reduced schedule must be submitted to the Scholarship Committee for reconsideration.

We must receive your application for financial aid by **JANUARY 25** \*.

If you have any questions, please give the School a call. Susan or Debbie will be happy to assist you.

Sincerely,  
The MMS Scholarship Committee \*\*

\* It is best to apply for financial aid by the January 25<sup>th</sup> deadline because, when MMS sends out its acceptance letters in March, we can let parents know at the same time whether or not financial aid has been granted. However, sometimes MMS has openings and available scholarship money even *after* the March acceptance date. In this case, the School is happy to consider financial aid applications at any time in the year. So, if you are applying for F.A. between Jan. 1<sup>st</sup> & April 14<sup>th</sup>, your application need not be accompanied by a copy of your tax return – but *by April 15<sup>th</sup>*, it is essential that your tax return be received by us. If, however, you are applying for aid *after* April 15<sup>th</sup>, you *must* submit your tax return *with your financial aid application*.

\*\* The Scholarship Committee is composed of three or four Morningside parents who form a sub-committee of the MMS Board. Although these parents review the financial information of all scholarship applicants, they fully understand the importance of confidentiality. Never is private financial information ever shared with anyone other than fellow members of the Scholarship Committee, and except for these three or four Committee parents (& Susan & Debbie), no other member of the MMS parent body ever has any knowledge of which families have or haven't received financial aid.

**6. Income Data:** Please attach a copy of your W-2 Form(s) for the most recent tax year. Please also attach a copy of your Federal Income Tax Return (Form 1040) for the most recent year in which you have filed. The Scholarship Committee will not consider an application that does not include W-2 Form(s) and a Form 1040. (Tax returns should include all pages submitted to the I.R.S.) By April 15, a copy your Form 1040 *for the most recent tax year* must be submitted to the school.
