It's like this. We suddenly realized we were out of brochures.

"Great Scott!" we said. "What'll we do?"

....long pause while we thought...

"Eureka!" we finally exclaimed. "We'll xerox the old brochure and mail out the xerox copy until we can get a new brochure made!"

Which is what we've done.

If you'd like to help us out, as you read our brochure, you could imagine this same information coming to you on slick shiny card stock. In a brochure shape. With some bright pink lettering on the front. It's really pretty. We're really sorry we ran out.
